

ADVANCED SURGICAL CENTER

MISSION

Our mission is to develop and grow ADVANCED SURGICAL CENTER.

In pursuing this mission, we hope to create exceptional value, return and experience for all stakeholders.

OUR VALUES

We will achieve our mission with a primary focus on delivering superior, cost-effective patient care. Every decision will be guided first and foremost by its effect on patient safety and providing the very best patient care possible. We will strive for excellence in all we do.

We will conduct our business fairly and ethically. We will work together in a spirit of teamwork and mutual respect.

OUR VISION

Advanced Surgical Center will become a center of excellence in ambulatory surgery care. It will be a model for other Ambulatory Surgery Centers. It will be an entity with which all stakeholders will be proud to be associated.
